“slit the waves, not both / in the sun door”
Ceravolo, *Fits of Dawn*

No removes from
heart out myth
sonic littles breath

a first got
word kind thing
do you read

stuttering tut in
march and you
got a drum

How said said
mouth sounds mess
shunt this mark

pottage placing course
send let go
sound sun with

he hearing say
often sound sun
glisten listen in

Young up sung
subway tough going
tracks but connections

off week summer
cants through suns
presents home gifts

out of mine
shine boom surrounds
animate space

Downtown cobble runs
routes on paper
hew news with

suns concrete us
together sudden makes
subtle light door

see space throughout
felloe fits rounds
grown to gather

Dry surroundry sunlight
riff of off
rife rhythm slants

sense of sites
while wiles wit
how throat this

amber ridge slough
oaks olive sunglow
eros a live

Two in locks
dichotomy heartache turns
tops on tables

swain firm sunning
long as term
asked of earthen

one clockwise story
forth twist outwards
is as is

Summer sun summers
anon no signs
stop up platonic

heartsease give home
seize ahead hear
such summons memoir

pine gruff clave
almond durations minting
and then she

From whence why
sun river speaks
archaic allot of'em

lit grains compose
writing myths health
full on touch

desire in desire
savor savoir now
lack moot

Day to hearing
clearing survive barely
widely scape inflorescence

miles grain radio
records tensional bees
momently instance intransience

brass hash grass
circa listing how
sounds swell

Measure too easy
breathy appraisal soundings
how consider to

in lieu marks
go vary sans
sand made sandy

swathes mouthful thick
earth you you
by no book

Palms wishing rustles
dusk flesh blush
clime balm calm

in surrounds as
supposed to sound
bird awkward hawking

awe fulfilling hunt
cool still in
key strikes make

Choose uneven events
lit such change
inclinations awe

things throat stuck
heart stomached
sumless sonic gravel

old radioed piano
waves accenting will
sounds by hand

Somehow startled birds
vie de vie
vie de vie

memoranda sharps
here wish here
summing one cigarette

savvy lull warmth
heavy ease off
slow nod

Alive them tones
speaking easy distortions
radio rote magic

cloud rolls humdrum
home tap enter
snug a minute

speech you speak
airy slakes
hearting arrays ray

Widely field greening
routes not routines
sun haze hole

timing sounds run
forms from interiors
lead flits will

sol guide sole
sense records
ample do heat

Readied earthen memory
sun rumors progress
gold birch value

bird aesthetics winging it
charm tunes
painting in rushes

sprigs telling twitters
round about mouth
tune inside you

Start song say
ere lunging pollen
paradise weight underfoot

soft information feeds
drowse sun sway
chrysanthemums mum away

summering shine
future hear belongs
say this myth

Books yet highways
go dashed yellow
dawn creaking muscle

amber compass orients
now eastern tellurian
piano dapples absolutes

sunward lady lay
open brightly seconding
lit home body
